Submission Attempts	1 or 2 Points
Sweeps	2 Points
Side Control Variatons	2 Points
Mount	2 Points
Back Grab	2 Points
Knee on Bell	2 Points

NO-GI TAKEDOWNS: 2 Points are awarded when you initiate a Takedown, take your opponent off their feet, and remain on a top position for two seconds. 1 Point may be awarded for Takedowns that do not result in top control. All Takedowns are legal except dropping an opponent on their head, or a Scissors Takedown without placing your hand on the mat first (Scissors Takedowns are illegal for Children and Teens). Slamming an opponent with the intention to cause injury will result in immediate disqualification.

NO-GI DOMINANT POSITIONAL CONTROL: 2 Points are awarded for all forms of top control that provide common submission opportunities, including Side Mount, North-South, Knee on Belly, Scarf Hold, Modified Scarf Hold, Top Turtle control, Mount, and Back Grab positions. Consecutive control points are only awarded for going from a form of Side Control to Knee on Belly/Mount/Back Grab, not from a Side Control to another form of Side Control. Positional Control has to be long enough to set up a submission attempt, which is deemed a two second count. A total of 6 positional points can be achieved in succession.

NO-GI SWEEPS: 2 Points are awarded when you initiate a Sweep from any form of Guard, and go from the bottom to a top position. If the Sweep ends in a form of Side Control or Mount, you earn two additional points for the Dominant Control. NO Points are awarded for Escapes or Reversals; if you are Bottom Mount, and you bridge to “In Guard,” NO Points are awarded. If you are bottom Side Control and reverse ending up in Top Side Control, 2 Points are awarded for the Dominant Control, not for the Reversal.

SUBMISSION ATTEMPTS: 1 or 2 Points are awarded for a Submission Attempt. Submission attempts that are of a high percentage of the opponent being finished will result in 2 Points being awarded. A Submission attempt that fails to meet the Full and Strong Criteria may be awarded 1 Point.
